Seattle, WA 98108

Dear Jamie,

We appreciate so much your generous sponsorship of Holy Names Academy's 2nd Annual Community Golf Tournament. With your support we were able to underwrite all expenses and successfully raise over \$11,500 for the Holy Names Academy Endowment Fund. Truly – you made the difference!

One hundred and three dedicated golfers participated in the Tournament on October 6th, braving the howling winds and steady rain! They included HNA current parents, alumnae and their spouses, several faculty members, and friends of the Academy. Members of the currently undefeated HNA Golf Team even attended – greeting participants and manning the “bag drop.”

As you may know, our 129 year old mission at the Academy is the education of young women of all backgrounds. You, as a supporter of the Academy, are our partner in assisting our students, “to discover the power that is theirs to direct their lives in peace, justice and mercy.” Your commitment to our mission is truly a commitment to them. On behalf of the students, our profound thanks.

Sincerely,

Theresa Gallant
Development Director
