Subject: RE: Meeting on May 12 I think we have a glitch with the wheel change out

Good Morning Leslie

Your two installers, Ben Ryan and Larkin Vanderhoef just left having replaced all the bad wheels. My Sincerest Thanks to ALL of YOU for making our Rolling Tables just that!! "Able to Roll" once more. It didn't take Ben or Larkin long to complete this job and they even found some not on the list (Must have happened after I'd sent the list in) and also left me some spare parts. Having observed the process of wheel disassembly and re-mounting, shouldn't have any future problems. Thanks Again Todd!! And Leslie for getting this fixed!! YOU'RE the BEST!!

Many thanks

Tom English
